12.6.18

We are excited to announce that we have a new booking and administration system, Kids Club HQ, which we will be using from now on. We are planning that this will be fully operational by September.

To help things run smoothly, you will need to create a contract add the details of the regular days and sessions that your child/ren attend the club(s) by requesting a contract.

If your child does not attend regular days each week these will need to be booked on the system so you will still need to create an account.

The process is quite straightforward.

You will only need to add your details once and the system will retain the information for you. If any of your details change you can update these on the system at any time.

The link to get started creating your account and requesting a contract is here:

<https://blakehillextraclub.kidsclubhq.co.uk/rdr?u=home>

Please ensure you select the days/sessions that your child(ren) currently attend when you get to that stage in the process.

If you have any questions, please contact us in person at the club or by telephone or email.

Yours sincerely

K. E Rands
Manager
