

# RW Class Assembly

...

Friday 11th February 2022

Welcome to our assembly.

In Reception we learn  
phonics everyday.

Before we begin our  
phonics lesson we sing  
the alphabet song.

abcdefghijklmnopqrstuvwxyz

Start

a b c d e f g h i j k l m n o p q r s t u v w x y z

Phonics is all about letters, the sounds they make in words and how to write them down.

We call every sound in a word a phoneme.

We use phonics to help  
us read words.

We use our phoneme  
fingers to help us.

We also learn to segment  
the sounds in words so  
we can write them.

We can add sound  
buttons to help us  
identify the phonemes in  
words.

We learn to blend the  
sounds together.

It gets tricky when we  
learn digraphs.

A digraph is when two letters make one sound.

We still add sound  
buttons to help us.

We practise all of these  
important skills by  
playing games on our  
interactive whiteboard.

We like to try and improve  
our time on  
Flashcards Time Challenge.

Our favourite game is  
buried treasure. We play  
it on the interactive  
whiteboard.

But today we are going to  
act it out for you!

This game helps us to recognise  
real words and made up words.  
The made up words go in the bin  
and real words go in the treasure  
chest.

In our phonics lesson we  
learn tricky words too.

These are words that we  
cannot sound out.  
We have to train our brains  
to remember them.

We have to learn how to  
write the sounds we can  
hear too.

Every letter has to be  
formed correctly.

These letters are from the curly caterpillar family. You have to begin each of them by forming a curly c.

These are from the long  
ladder letter family.

These are from the one  
armed robot family.

These are from the zigzag monster family.

We try hard to hold our  
pencil in the right way.

Look at how much we  
have achieved already!

Don't we have a lot to  
learn in Reception!

Thank you for helping us  
at home.

Thank you for coming to  
our assembly.
