In 2019, attendance will continue to be closely monitored as new procedures are going to be implemented. This half term we have met with 7 parents to discuss how to improve their child's attendance.

Remember to contact Mrs Corbridge if you have any school related matters, concerns or worries which may arise. Please see me in the playground or ring 414355 (option 2) should you want a chat.

Merry Christmas everyone from
Mrs Corbridge
