Headteacher: Mrs L Keighley

20th October 2020

Dear Parents

I wrote to you last month explaining how you could use 'Phonics Play' at home to help you prepare your child for the phonics screening check due to take place in the 2020 autumn term.

As you know 'Phonics Play' is a website that we use in school. It offers interactive phonics games to help children learn about the relationship between letters and sounds and develops the skills needed to read and spell.

At the moment, access to the site is FREE until 21st October. After this date, subscriptions for parents will need to be set up individually for each child.

Could you please let us know, by contacting the school office direct using the office email address (office@blakehill.bradford.sch.uk or E-schools), if you would like to continue to have access to 'Phonics Play' after the 21st October, and we will arrange this for you.

If you haven't already tried this with your child and you would like to have a go, then you will need to visit phonicsplay.co.uk before 21st October.

The username is *march20* and the password is *home*. Please feel free to use any of the games or resources on the site. In class we have revised phases 2, 3, and 4 and we are now focussing on phase 5. There is information for parents that will help you navigate around the website. We hope you enjoy using this resource with your child.

Yours sincerely

Mrs C Scott
EYFS/KS 1 Leader
