Remembrance Day

Well done and thank you to all staff and pupils who have worked hard to mark 100 Years since the Armistice. The displays around school look wonderful and serve as a fitting tribute to all those who served and continue to serve their country.

Christmas Cards

This year school will be offering a very special set of Christmas cards for parents and friends of Blakehill to buy. We wanted to do something specific in memory of Isabelle Ellis this Christmas. Belle created the card design when she was in lower Key Stage 2 and was given to her parents as a Christmas card. The gold ribbon design, created by the whole school will be used to decorate the rear of the card.

Cards will be sold for £3.00 per pack of five and will be available within the next couple of weeks. All proceeds from the sale of the cards will be donated to the family's chosen charity, Candlelighters. We know that this will mean a great deal to all of Isabelle's and school's family and friends.

Pebble Path

More pebbles have been added to the school pebble path this week. Thank you to 6R and the 'Tallants' for their new additions.

Make sure you have one!

Parent / Teacher Consultation Evenings Meetings

Thank you to all parents who attended the parent consultation evenings this week. We hope that you found them both useful and informative.

Listening Ear

At Blakehill, we continue to strive to be a listening school, where the views of our whole school community are taken into account when decisions are made or actions are implemented.

As a school, we are proud of the relationships we have with parents and pupils. This is a real strength of our school.

To demonstrate that we DO listen, we aim to ensure that newsletters will provide you with information of actions that have been taken as a result of your comments/feedback.

In a recent pupil survey pupils in Upper KS2 said that they would like to do more ART and DT activities

Creative Curriculum Carousel

From January 2019, all pupils in KS2 will participate in a range of projects, which will focus on the development: Art, DT, Animation, ICT, British Values and SMSC skills. These will be timetabled every Friday afternoon. Pupils will rotate each half term to ensure that they are receiving additional opportunities to participate in a strong and broad Curriculum.

Attendance Review

School senior leaders and Governors are reviewing our current attendance procedures. The aim of this is to both reduce the number of holidays taken in term time and the number of pupils classed as persistent absentees. ***We are aware that whilst most parents understand the importance of good attendance, some parents allow their child/ren to take unauthorised holidays/time off school year on year.*** Poor attendance impacts school improvement and can affect judgements made on the overall effectiveness of school.

Blakehill has always maintained a fair approach towards attendance. Regretfully, actions may need to be implemented to target families who persistently take advantage of our current procedures...

A table to show the number of pupils taken on holiday each half term from 2016-2018

Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
2016-17	17	13	8	8	24	55
2017-18	27	10	8	12	35	52
2018-19	32					

Number of persistent absentees

(Pupils who attend school less than 90% of the time) from September is 44

Is your child one of these?

Whole school attendance to date:
